5280 FELLOWSHiP
Application Questions

In addition to standard demographic and biographical information, the application for the 5280 Fellowship includes several essay questions (500 words or fewer). Please consider or draft your responses in advance; when you're ready to apply, visit 5280Fellows.com/apply.

Please describe your understanding of the Gospel and describe your relationship with Jesus.

Please describe your involvement with your local church. If you serve in any other locations or organizations, note those as well.

Why are you interested in the 5280 Fellowship? Specifically, what personal and professional development needs are you bringing to the Fellowship? What outcomes do you hope to gain from the program?

What is the general perception of Christians in your organization or industry - whether positive or negative? How do you see the 5280 Fellowship as an experience that might potentially enhance that perception through our Alumni?

What can you offer to other Fellows - either in your potential cohort or in the larger network of 5280 Fellowship alumni? Think in terms of those capacities you bring to most groups or teams you participate in.

Are you able to fully commit to the 5280 Fellowship program and complete all requirements within the prescribed 9-month time period? Please describe any concerns or existing calendar conflicts.

We maintain a simple statement of faith in line with the historic Nicene Creed. Do you have any theological concerns in supporting this statement? If so, describe your reservation.

Expanding upon the questions you've already answered, please briefly describe the industry/field in which you work and the nature of the job that you do. (Only if applying for scholarship.)

What is the general perception of Christians in your organization or industry - whether positive or negative? How do you see the 5280 Fellowship as an experience that might potentially enhance that perception through our Alumni?

Applications for the 2022–2023 Class of Fellows are due May 2nd.
